Dear Sir/Madam:

re: Kimball Grain Partnership
and H&I Grain

I spoke with my clients, owners of the Kimball Grain Partnership, and apparently they are satisfied that they have been paid in full for the grain delivered in the company name to H&I Grain in Hetland.

It is my understanding that H&I delivered grain on behalf of the Kimball Grain Partnership to another elevator, (Chancellor) for which my clients have received credit.

They don't feel that they have any claim against H&I.

If you have any questions feel free to call me.

Thank you.

Sincerely yours,

David V. Natvig
