I agree with my approved claim. Obviously I would like to receive the amount owed me in Option 4 or Option 1 because they are higher dollar amounts. I am taking your recommendation because I have no way of knowing what verbal contracts the other producers had with H&I Grain.

I would like to say that I feel the PUC is partially responsible for this mess. H&I should have had their license suspended much earlier when they were unable to pay their debt to CHS Hedging in 2016. If producers

had known this they would have not delivered grain at harvest in 2016 and thereafter.
