Dear Commissioners D. Hanson,

Pierre, S.D. 57501-5070

Dear Sirs:

I am writing in concern of the
Trans Canada proposed path of their
pipeline thru an area in Marshall Co, S.D.
This would be very dangerous for our B.D.M
water source and other private water sources.
This is not acceptable to us and I'm sure
you can find another route, other than
this sensitive area.

I would appreciate your fullest
attention to this matter immediately.

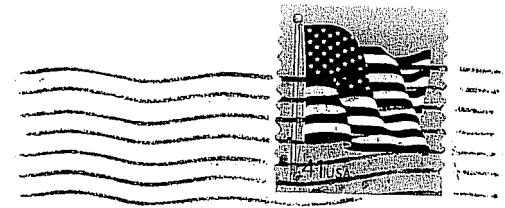

Sincerely

a Marshall Co. Citizen
