September 29, 2009

Ms. Forney,

After looking further at federal pipeline statutes and some case law, I think some additional information on the applicant's draft Emergency Response Plan should be made available as a part of discovery. As such, I am asking that a motion be added to our next agenda to allow the commission to reconsider its decision. Specifically, I will ask that documents central to the Applicant's preparation of their ERP be made available.

Sincerely,

Dustin "Dusty" Johnson
Public Utilities Commission
