Walter Woods

Dear Mr. Woods:

By this letter, the Commission Staff is requesting that SDIPC file a tariff with the Commission as outlined in ARSD 20:10:13:02 through 20:10:13:14. Please find a copy of these rules enclosed. I believe at one time you did submit a tariff to the Commission which was the contract under which you operate with MDU. The tariff Staff is requesting should not include the contract but should follow the Administrative Rules as to form and content.

Because of your limited operations and only one rate offering, it is expected that your tariff will be brief. If you have any questions, please feel free to contact me at the Commission.

Sincerely,

Dave Jacobson
