Complaint Information - Please explain your complaint in detail :

Did you speak to a supervisor from your utility company? : No

If 'Yes', what was the result? :

Are you subject to disconnection? : No

What do you think the company should do to resolve your complaint? : I'me have a problem with nw asking for a price increase, most of the people in sd are going through some type of problem or other, and nw has squandered many dollars, made some very poor business desisions, also paid some healthy salaries. I think they need to be held responsilbe for them, so I feel very strongly, on not giving them an increase. I also ran abusness, and had to make things work with out the infussion of others. thanks for listening. reno huber
