

**MONTANA-DAKOTA UTILITIES CO.
SOUTH DAKOTA PUBLIC UTILITIES COMMISSION STAFF
SECOND DATA REQUEST
DATED FEBRUARY 17, 2015
DOCKET NO. NG15-001**

- 2-5) Please provide the estimated annual decrease for the average customer under service rates 60, 70, and 72 that will occur as a result of the proposed reduction in the CTA.

Response:

The estimated annual change for a residential customer using 70 dk per year is a decrease of \$0.70 and a firm general service customer using 400 dk per year is a decrease of \$4.00.
