RE: MidAmerican Energy Company (INITIAL FILING)

Dear Ms. Van Gerpen:

MidAmerican Energy Company (MidAmerican) transmits the accompanying gas tariff sheets for filing.

South Dakota Gas Tariff

Section No. I:

1<sup>st</sup> Revised Sheet No. 1

Canceling Original Sheet No. 1

1<sup>st</sup> Revised Sheet No. 2

Canceling Original Sheet No. 2

Section No. III:

Original Sheet No. 35.1

Original Sheet No. 35.2

Original Sheet No. 35.3

Original Sheet No. 35.4

Effective: November 9, 2016

With this filing, MidAmerican is proposing to add a new transportation service to its gas tariff. MidAmerican has been approached by a customer that is looking to inject biogas into MidAmerican's gas distribution system for transport to third-party buyers. MidAmerican's current tariff does not offer this type of service. The Producers of Renewable Gas Transportation Service tariff will allow producers to inject renewable gas into MidAmerican's gas distribution system for use and consumption by South Dakota gas transportation customers served by MidAmerican. A similar tariff was approved by the Iowa Utilities Board in Docket No. TF-2015-0351 and added to MidAmerican's Iowa tariff on January 8, 2016.
