Subject: Commissioner Nelson's Response to Linda M. Lane Confidential (not available to the public)

Commissioner Nelson,

I am checking the PUC website to understand where the matter of the Farm Tap issue stands. I see from the listing that on 12/12/16 there is an entry (see below). I have not yet received this confidential response by mail. Would you please forward it to me via email. Many thanks.

I can be contacted by phone [REDACTED]. Linda Lane
