**RE: In the Matter of the Application of South Dakota Intrastate Pipeline Company for Authority to Increase its Natural Gas Transportation Rate  
Docket No. NG17-009**

Dear Ms. Van Gerpen:

In order to promptly make available to the public all information in South Dakota Intrastate Pipeline Company's ("SDIPC's") initial petition consistent with the South Dakota Public Utilities Commission's oral direction yesterday, please enable the confidential web links for the following documents:

- Statement F - Working Capital
- Statement H - Operation and Maintenance Expense
- Schedule H-3 - Listed Expense Accounts Working Papers
- Statement M - Overall Cost of Service
- Direct Testimony of William Murphy

In so doing, please also dis-enable the previously designated public versions (i.e., redacted versions) of these documents.

We look forward to working with all parties to establish an agreed upon procedural schedule, which we hope includes sufficient time to engage in settlement discussions as consistent with our understanding of standard local practice.

Please contact me with any questions.

Sincerely,

A handwritten signature in cursive script that reads "Paul E. Bachand". The signature is written in black ink and is positioned above the printed name.

Paul E. Bachand
