RE: MidAmerican Energy Company

Dear Ms. Van Gerpen:

MidAmerican Energy Company (MidAmerican) transmits the accompanying gas tariff sheets for filing.

South Dakota Gas Tariff
Section No. 3:

1st Revised Sheet No. 36
1st Revised Sheet No. 40

Canceling Original Sheet No. 2
Canceling Original Sheet No. 40

Effective: March 23, 2018

With this filing, MidAmerican is proposing the following changes to its Monthly Metered Transportation Service tariff:

- Modify the “APPLICABILITY” section of the tariff to:
 - Change the language regarding continuing customer eligibility from “reevaluated annually each April” to “reviewed monthly”.
 - Change the language regarding switching requirements for customers that do not meet the eligibility requirements of the tariff from “will be required” to “may, at the Company’s sole discretion, be required”.
- Eliminate the 2,500 customer limit. This limit was put into place due to system limitations at the time the tariff was initially implemented. MidAmerican has invested in upgrading its systems to accommodate our customers and no longer requires a customer limit for the Monthly Metered Gas Transportation program.
