

## **SD Underground Utility Damage Prevention Survey – Excavating Companies**

Question # 4 KorPartners has not offered webinar training for excavators.

Question # 7 Change this question to: “Do you or a representative of your company attend...”

Question # 8 Comment section could be added. Also add a question...“What type of information would you like to receive in these spring meetings?”

Question # 13 Clarify. Would these costs be per person?

Question # 17 typo misspelling of financially

Question # 24 add “in South Dakota”. Some companies operate in several states. Including data from other areas would not be accurate.

Question # 25 same as # 24.

Question # 26 same as # 24, however, add “in your company”. This would alleviate speculation of other company information.

Question # 27 add “in South Dakota”. Some companies operate in several states. Including data from other areas would not be accurate.

After Question # 31 add an additional question...“Would you be willing to help pay for this data collection?” (There will be costs associated in the data collection process and maintenance and distribution of it).

Question # 34 Remove this question. Most will not know what DIRT is, so asking to use it as a tool will not be useful.

Question # 37 Remove. This is a duplicate of Question # 9.
