QWEST CORPORATION'S COMMENTS

Qwest Corporation ("Qwest") submits these comments in support of the Commission's proposed rules related to access charges. The rules represent an appropriate resolution to this proceeding. The rules reflect proposals made by Qwest in filings and comments as a part of the proceeding. All parties had ample opportunity to comment on these proposals through the original comment process. Accordingly, Qwest respectfully urges that the rules are appropriate from both a policy and procedural perspective and should be adopted.
