[REDACTED] Comments: Dear Commissioners, It is our feeling that it would be more reasonable to allow 5 days rather than 48 hours for any changes or objections in regard to Rule 20:10:12:13 in Docket RM 13-001. Currently our mail is sorted and processed out of the state of SD; so our delivery time takes several days at the least to reach destinations both in state and out of state. At the present time we have to mail insurance payments and credit card payments a week in advance as a rule before due dates to them to allow for adequate delivery time. Thank you for your consideration.
