RE: RM23-001 In the Matter of the Adoption of Administrative Rules

Ms. Van Gerpen,

Attached for filing please find the updated set of Proposed Rules for Docket No. RM23-001. This update includes all revisions suggested by the Legislative Research Counsel. I would specifically like to note the following changes, all of which are made within the confines of the Commission's Notice in this docket:

- ARSD 20:10:12:15, beginning on page 7 of the Proposed Rules, the second set of subsections within this rule has been removed, with its content instead captured within the first set of subsections in the rule. This revision was done for clarity and due to the inability to cite to two separate subsections with the same numbering.
- ARSD 20:10:26:04, page 9, the final paragraph of the rule has been reworded for clarity.
- ARSD 20:10:37:10, page 13, the final sentence of the rule has been reworded to read in active voice and to reflect how the information will be made available.

All other edits were minor stylistic edits suggested by LRC.

Sincerely,

Kristen N. Edwards
