UTILITIES COMMISSION

RE: RCC Minnesota, Inc. and WALLC
In the matter of RCC Minnesota, Inc. and Wireless Alliance, LLC
TC03-193
GPGN File 7401.040099

Dear Ms. Forney:

The Federal Communications Commission had until yesterday, November 14, 2005, to open a proceeding regarding the petition filed by the South Dakota Public Utilities Commission concerning the redefinition resulting as part of the Commission's Order in the file TC 03-193. The FCC has not opened a proceeding and as such, the FCC is deemed to have concurred in the redefinition of those ETC service areas. 47 CFR § 54.207(c)(3)(ii).

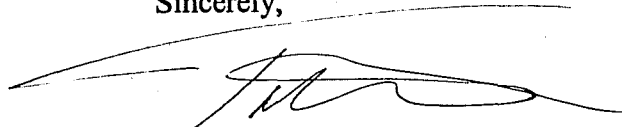

On August 2, 2005, Rolayne Ailts Wiest, as Commission counsel, provided notice to the FCC and the Universal Service Administration Company (USAC) regarding the designation of RCC and WALLC as ETCs in those areas that were not subject to redefinition. That letter went on to state that in those areas where the FCC's concurrence was still needed, South Dakota Public Utilities Commission would provide an additional letter upon the FCC concurrence. We respectfully request that the Commission send the letter to the FCC and USAC designating RCC Minnesota, Inc. and Wireless Alliance, L.L.C. as eligible telecommunication carriers in these redefined areas. Further, pursuant to the Commission's Order dated June 6, 2005, Conclusions of Law 12, the Commission deemed that the designation of petitioners in those services areas requiring redefinitions would become effective upon FCC concurrence.
