Subject: RE: LECA Revised Rates for August 2004

Ms. Bonrud:

Attached is a revised letter to reflect the proposed rates for August 1, 2004. The version of the letter that was emailed and sent to you yesterday was inadvertently not updated to reflect the proposed rates. The supporting worksheets were correct and will match the letter attached. Therefore if you could replace the letter that was sent yesterday with this one I would appreciate it.

<<letter.pdf>>

Please call me at (605) 995-2574 with any questions.
