RE: South Dakota Bond Filing

Pursuant to several correspondences that I have had with Keith Senger of your office, please find this letter as a formal filing request on behalf of Gold Line Telemanagement Inc. to remove the restrictions that currently exist as part of Gold Line's certification and replace with the bond of \$25,000 that has already been sent and received by the Commission. For greater clarity, Gold Line was granted certification by the Commission pursuant to Order # TC03-180, on the condition that it does not offer prepaid services. Gold Line has now provided the Commission with requisite bond, along with this filing, and respectfully requests that the condition and restriction be removed and replaced with the bond.

I would like to thank you and your staff for their assistance in this matter; they have been of great assistance, and Gold Line looks forward to continuing a positive and mutually beneficial relationship with the Commission. If you require additional information please do not hesitate to contact the undersigned.

Best Regards,
