Re: Navigator Telecommunications, LLC. Application for Local Exchange  
Telecommunications Authority

Dear Ms. Bonrud

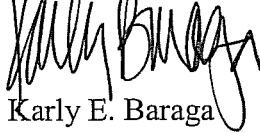

Enclosed please find supplemental financial material to be submitted with the above-referenced application of Navigator Telecommunications, LLC. ("the Company") is that was originally received at your office on July 29, 2005. Enclosed with the original application was a Request for Confidential Treatment that accompanied the confidential and proprietary financial documents that were submitted at that time. The same facts and circumstances that supported the Company's original Request apply to this supplemental information, and therefore the Company trusts that this request of its protection from public exposure will be granted.

Also enclosed is a duplicate copy of this letter, along with a self-addressed, postage-paid envelope. Please date-stamp the duplicate upon receipt and return it in the envelope provided. Thank you for your assistance in this matter.
