Dear Mr. Harlan:

West River Cooperative Telephone Company has initiated the necessary processes that will enable us to implement the 811 One Call Location Service by 12-31-06. If it is necessary, service could be provided sooner, but notification of moving our customer service number for our members is not completed at this time.

If you have further questions, I may be reached at 605-244-5213.

Sincerely,

Jerry P. Reisenauer  
General Manager
