**RE: Revised Service Territory for the City of Brookings dba/Swiftel
Communications**

Dear Ms. Van Gerpen

Enclosed you will find a revised franchise service territory map reflecting the new telephone service territory as a result of annexation. Enclosed are copies of the City of Brookings resolution #80-05 and the Brookings County Resolution #05-43 annexing property into the City of Brookings being claimed by Brookings Telephone. Also enclosed is a copy of the City of Brookings Resolution #19-04 and #44-04 annexing property into the City of Brookings being retained by Interstate Telecommunications Cooperative, Inc. We are asking the Public Utilities Commission (PUC) to accept the revised boundary map which includes the previously mentioned annexed areas the City of Brookings Telephone wishes to include in its local exchange territory. We make this request upon previous Public Utilities Commission action in Docket #F-3555 and in the resulting decision by the PUC on January 2nd, 1987, we are also requesting that the Public Utilities Commission waive rules 20:10:32:03(1-7);(9-21); and (23).

If you have any questions regarding this matter, please feel free to contact me at 605 697-8230 or 605 691-3316.
