SECTION 6 – SUPPLEMENTAL SERVICES, (CONT'D.)**6.5 Directory Listing Service, (Cont'd.)****6.5.2 Listings, (cont'd.)****(B) Additional Listings**

Additional listings may be the listings of individual names of those entitled to use the customer's service or, for business, Departments, Divisions, Tradenames, etc.

In connection with business and residence service, regular additional listings are available only in the names of Authorized Users of the Customer's service.

Ordinarily, all additional listings are of the same address and telephone number as the primary listings, except as provided for joint user and alternate number listings. However, when it appears necessary as an aid to the use of the directory and provided satisfactory service can be furnished, a listing will be permitted under the address of a branch exchange, Centrex or extension of an exchange service line installed on the premises of the Customer, but at an address different from that of the attendant position of main service.

Business additional listings are not permitted in connection with residence service. Residence additional listings are also permitted in connection with business service, which is located in a residence and for permanent or seasonal guests residing in a hotel or club.

A residence dual name additional listing is comprised of a surname, two first names, address and telephone number. A residence dual name additional listing may be provided for two persons who share the same surname and reside at the same address, or for a person known by two first names.

Special types of additional listings, such as Alternate, Alpha and Informational, Duplicate and Reference Listings, Foreign Listings, etc. take the same business or residence classification as the service with which such listings are furnished.

SECTION 6 – SUPPLEMENTAL SERVICES, (CONT'D.)**6.5 Directory Listing Service, (Cont'd.)****6.5.2 Listings, (cont'd.)****(D) Nonlisted Service**

Non-listed service means that the Customer's telephone number is not listed in the directory, but it does appear in the Company's Directory Assistance Records.

This service is subject to the rules and regulations for E911 service, where applicable.

The Company will only complete calls to a nonlisted number, if requested by a caller, during the course of a directory assistance call completion service.

When the Company agrees to keep a number unlisted, it does so without any obligation. Except for cases of gross negligence or willful misconduct, the Company is not liable for any damages that might arise from publishing a non-listed number in the directory or disclosing it to some. If, in error, the telephone number is listed in the directory, the Company's only obligation is to credit or refund any monthly charges the Customer paid for nonlisted service.

The subscriber indemnifies (i.e., promises to reimburse the Company for any amount the Company must pay as a result of) and save the Company harmless against any and all claims for damages caused or claimed to have been caused, directly or indirectly, by the publication of a non-listed service or the disclosing of said number to any person.
