Dear Ms. Moore:

I have had a chance to review your letter of December 29, 2006. I have talked briefly with my clients regarding your letter but, given that it was sent late on the 29<sup>th</sup> and everyone was out and people are just looking at it today, I do not foresee us being able to meet your deadline of January 3<sup>rd</sup>.

I do want you to know that I am in the process of getting a signature page for the responses and will provide that to you as soon as I receive it. Regarding the rest of your demands, we will have to review those and if we will be supplementing, I will let you know by the close of business this Friday.
