**BEFORE THE PUBLIC UTILITIES COMMISSION  
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE PETITION OF  
LONG LINES WIRELESS, LLC  
FOR DESIGNATION AS AN  
ELIGIBLE TELECOMMUNICATIONS CARRIER

PETITION FOR  
DESIGNATION AS AN ETC  
TC 06-184

**Responses to Second Staff Data Request**

- 2-1. LLW is requesting ETC designation in our entire wireless service area in each county of the respective BTAs.
- 2-2. Exhibit C from the first data request has been modified to include the wire centers for the companies you have listed in the second data request. It is attached here as exhibit A.
- 2-3. N/A
- 2-4. See attachment B
- 2-5. LLW is a new wireless carrier in the South Dakota market, as a new entrant we are just starting to build out our network. The two year plan in exhibit B details our sell site construction where funding will be used. The cell sites constructed in the two year plan will not cover all area listed in exhibit C. LLW future construction will continue to expand into all areas listed in exhibit C. Funding will be used to construct cell sites in exhibit B to further the provision of supported services in those areas and to areas in exhibit C in the future.

- 2-6. Stanley Corner is located at the junction of Hwy 42 and Hwy 81. It is approximately 5 miles east of Bridgewater and is in the Bridgewater wire center.
- 2-7. All sites have battery back up. We have portable generators in each BTA that can be taken to the area of need.
- 2-18. The battery reserve at each cell site is between 12 to 16 hours.
- 2-19. Our portable generators are 50 gallon diesel fueled which we fill with a fuel tank that can be brought to each site.
- 2-20. Each generator is 30 kilowatts.
- 2-11. The "attached terms and conditions of service" just refers to the rest of the agreement. The front page defines the rate plan and service term and the back page details the conditions of the service agreement. There are no other attachments to this agreement.
- 2-12. LLW does agree with no mandatory arbitration and we welcome complaints to be under the jurisdiction of the SDPUC.
- 2-13. LLW has added "Meet income based criterion for Telephone Assistance, as defined by the FCC" to our lifeline eligibility requirements.
- 2-14. LLW does comply with the service quality and consumer protection standards in the CTIA Consumer Code for Wireless Carriers.
- 2-15. LLW is not a member of CTIA.
- 2-16. LLW satisfies and complies with all rules on billing, rate increases, and complaints detailed in 20:10:34:09, 20:10:34:10 and 20:10:34:10.01.

- 2-17. Dakota Dunes is in the North Sioux City wire center, Gayville, SD is in the Prairie Wave service territory, south of Wakonda. I believe it is in the Wakonda wire center, Franklin is in the Madison wire center and Turkey Ridge is in the Freeman wire center.
- 2-18. I hereby certify that a true and correct copy of the Petition for Designation as an ETC in the State of South Dakota was sent via US Mail to the following persons on 1/26/07: Talbot Wieczorek, Wireless Alliance, LLC, Stanley Johnson, VCI Company, and Talbot Wieczorek, Alltel.
- 2-19. Yes, if your plan is rate period specific then the minutes used are counted toward the rate period that the call originated.
- 2-20. See Exhibit C
- 2-21. The FCC license for BTA422 will be renewed for another 10 year period by April 28, 2007.
