

**BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF SOUTH DAKOTA**

IN THE MATTER OF THE PETITION OF
LONG LINES WIRELESS, LLC
FOR DESIGNATION AS AN
ELIGIBLE TELECOMMUNICATIONS CARRIER

PETITION FOR
DESIGNATION AS AN ETC
TC 06-184
Date: 3/15/2008

Enclosed for filing are replacements to the amendments filed on March 12, 2008 in the above referenced matter requesting designation as an ETC are the following documents:

1. Exhibit A Rural LECs for Immediate Designation
2. Exhibit B Non-Rural LEC Wirecenters for Designation
3. Exhibit C Rural LECs for Disaggregation and Population Density Analysis

Also, I was asked a question by Commissioner Johnson as to the distance each of our cell sites would serve on average. In a previous filing the range was listed as a 20 mile radius, this is an incorrect statement, it should have read each cell site serves a 20 mile circumference.

If you have any questions please contact me.

Sincerely,

Kristy McDermott
