RE: TC06-001 – In the Matter of the Filing by RC Communications, Inc., for an Exemption from Developing Company Specific Cost-Based Switched Access Rates

Dear Ms. Van Gerpen:

In addition to the exemption requested in our petition submitted January 5, 2006, which petition resulted in the opening of the above-referenced docket, on behalf of our client, RC Communications, Inc. (the "Company"), we are now asking for a waiver from ARSD 20:10:27:07 which requires carriers to file cost data in support of their switched access service rates. The Company seeks this waiver because, as a new CLEC, it has no company-specific costs to file.

Yours truly,

Loretta Calabro
