

7. A list and specific description of the types of services the applicant seeks to offer and the means by which the services will be provided including:

(a) Information indicating the class of customers the applicant intends to serve.

Aventure proposes to be a full service provider and will offer its service to both residential and business customers.

(b) Information indicating the extent to and time-frame by which applicant will provide service through the use of its own facilities, the purchase of unbundled network elements, or resale.

Aventure will utilize its own facilities unless there are specific circumstances that call for the use of leased facilities. Applicant does not anticipate the need for either resale or unbundled network elements.

(c) A description of all facilities that the applicant will utilize to furnish the proposed local exchange services, including any facilities of underlying carriers.

Aventure will utilize licensed spectrum to provide service using wireless local loop technology as well as transport from the soft-switch located in Sioux City.

(d) Information identifying the types of services it seeks authority to provide by reference to the general nature of the service.

Applicant proposes to offer the following services:

- Local dial tone and voice grade access to the public switched telephone network
- Enhanced emergency service (E-911)
- Access to operator services
- Access to inter-exchange services
- Access to directory assistance
- Non-published and non-listed directory services
- Access to Telecommunications Relay Service
- Toll and 900 Number Blocking
- A full host of custom calling features
- High-Speed Internet access
- All services required to satisfy the service requirements imposed on eligible telecommunications carriers pursuant to 47 U.S.C. § 214(e)(1) and all applicable federal regulations.

SECTION 5 – LOCAL EXCHANGE SERVICE

5.1 General

Local exchange service is offered to business and residential Customers on a presubscription basis from equal access originating end offices only. Service is provided on a term basis only. Unless otherwise specified, the minimum term is one (1) month. Rates for service may vary by call type and/or term commitment. Usage rates, per call charges and monthly fees may apply. In addition, applicable Service Order and other non-recurring charges may apply. Call timing is defined in the description for each service. Service is available 24 hours a day, 7 days a week. Service is available where technically feasible and where facilities permit.

5.1.1 Application of Business and Residential Rates

- (A) The determination as to whether telephone service should be classified as Business or Residential is based on the character of the use to be made of the service. Service is classified as Business service where the use is primarily or substantially of a business, professional, institutional, or otherwise occupational nature. Where the business use, if any, is incidental and where the major use is of a personal or domestic nature at the person's dwelling, service is classified as Residential service.
- (B) Business rates apply at the following locations, among others:
 - (1) In offices, stores and factories, and in quarters occupied by clubs, lodges, fraternal societies, schools, colleges, libraries, hospitals, and other business establishments.
 - (2) In residence locations where the place of residence is in the immediate proximity to a place of business and it is evident that the telephone in the residence is or will be used for business purposes, and in residence locations where an extension is located at a place where business rates would apply.
 - (3) In the residence of a practicing physician, dentist, veterinary, surgeon, or other medical practitioner who has no service at business rates at another location.
 - (4) In any residence location where there is substantial business use of the service and the Customer has no service at business rates.
