Dear Ms. Van Gerpen:

West River Cooperative Telephone Company is attaching for filing with the South Dakota Public Utilities Commission a revised Exchange Boundary Map for Newell.

This change is being made to accommodate a request (attached) from a customer (Mr. Mike Phillipsen) who wishes to establish new service and be served by West River Cooperative Telephone Company. Since the location of the new service is currently in what is filed as Qwest territory, Qwest and West River Cooperative have mutually agreed to change the boundary to accommodate this request.

The attached Newell revised Exchange Boundary Map as well as a more detailed depiction of the proposed modified boundary is intended to reflect the proposed change in Section Eighteen (18) of T-7-N, R-6-E in Meade County, South Dakota. This change also identifies the Northwest Quarter of Section 18 as being in Qwest's service territory which allows the records of both companies to be in agreement.

If you have any questions, please feel free to contact me at 605-244-5212.

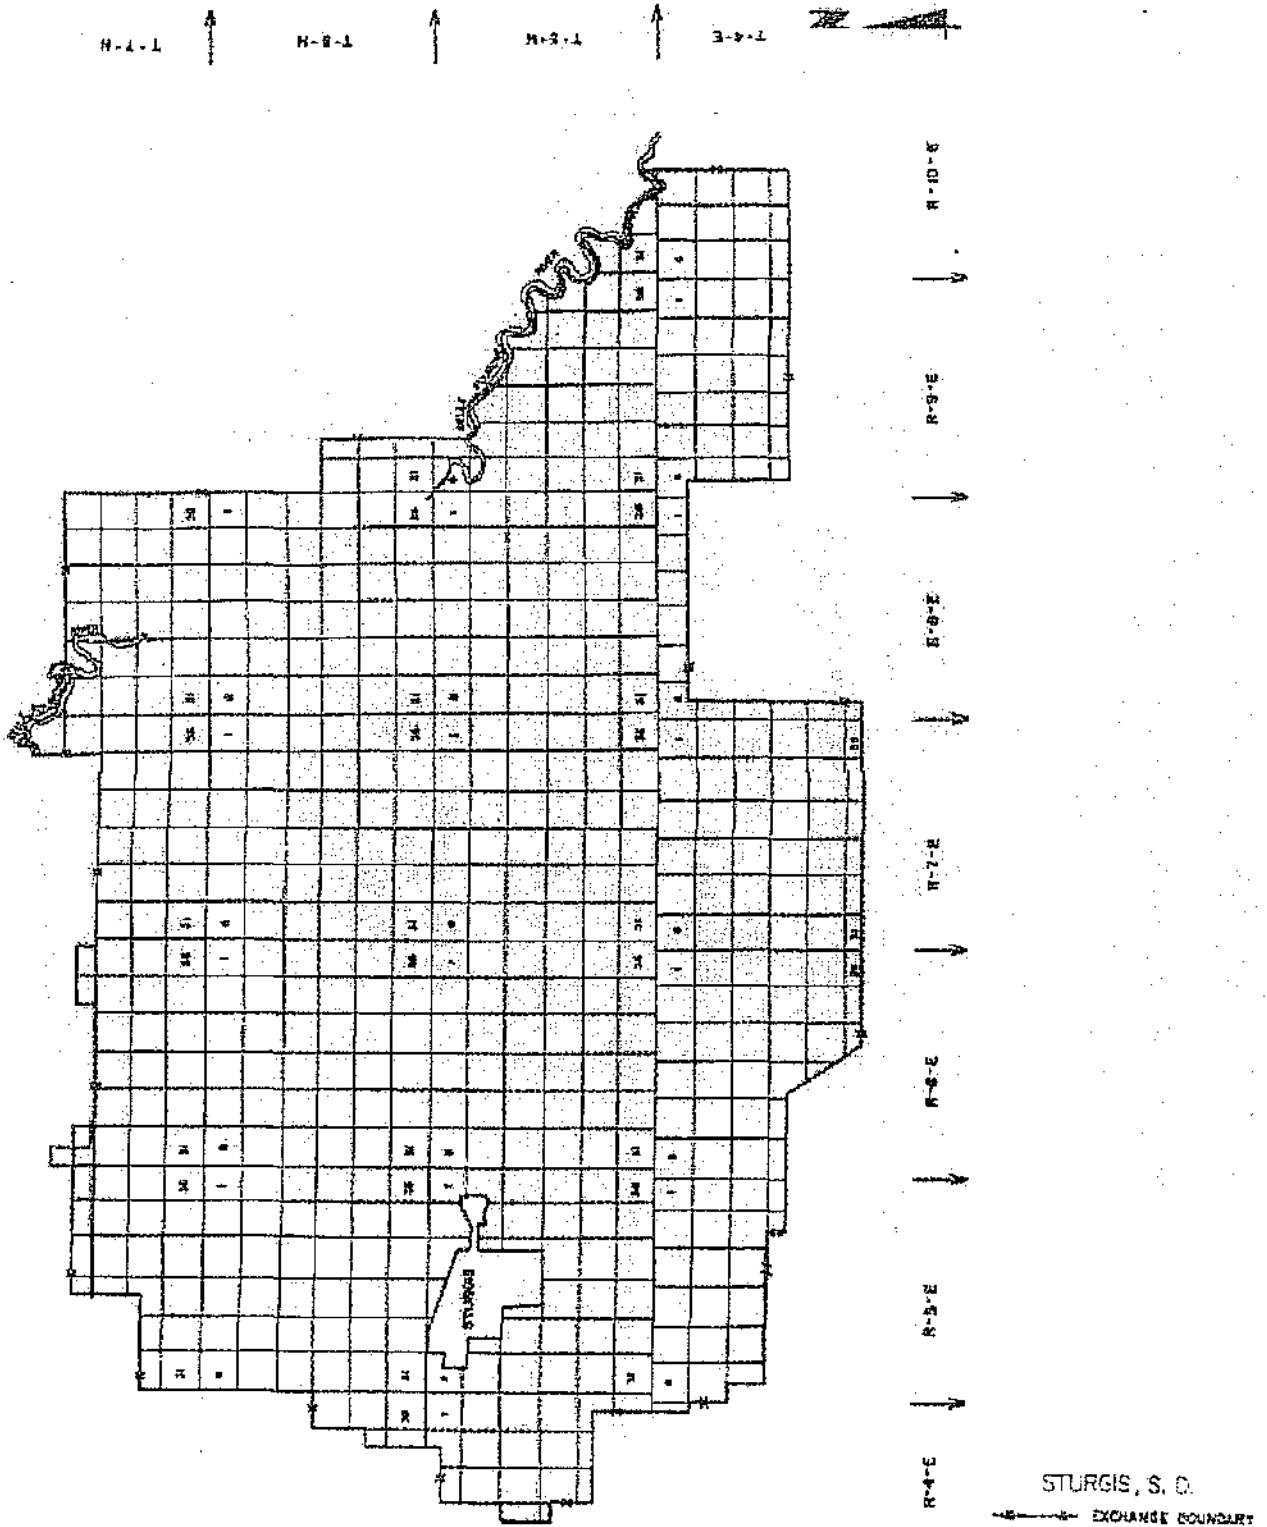

Sincerely,

Jerry Reissenauer, General Manager
