**Re: BridgeMAXX Wireless VoIP Service
PUC Notification**

Dear Ms. Van Gerpen:

This letter serves as notification to the South Dakota Public Utilities Commission ("PUC") that DigitalBridge Communications Corp. ("DBC"), a South Dakota foreign corporation, plans to launch its fixed, wireless Voice over Internet Protocol ("VoIP") service, BridgeMAXX, in South Dakota in July 2008. DBC's 800 number for complaints is 1-800-979-3797. Although the PUC is preempted from regulating wireless market entry,¹ DBC files this notification with the PUC as a courtesy and pursuant to PUC staff request.

Please stamp the "stamp-in" copy as received and return it to me via the enclosed Federal Express envelope. If you have any questions about DBC's wireless VoIP service, please contact me at 202.457.5312 or rlmurphy@pattonboggs.com.

Sincerely,

Rebecca L. Murphy
