# TELEPHONE ASSISTANCE PLAN

## The Program

Changes brought about by the Federal Telecommunications Act of 1996 have resulted in the introduction of new income assistance programs in South Dakota. Low-income subscribers may qualify to receive reduced monthly and installation charges for basic telephone service.

Valley Telecommunications Coop. Assn., Inc. is authorized to provide two federal telephone assistance programs that were developed in response to concerns about the affordability of telephone service for low-income subscribers.

## Lifeline

The Lifeline program provides a reduction in basic monthly telephone service equal to the residential subscriber line charge, plus an additional amount of \$1.75. The credit applies to the main home telephone line listed in the name of the subscriber. Lifeline subscribers may also receive blocking of long distance calls on their telephone line at no additional charge.

## Link-Up

The Link-Up program provides eligible subscribers with reduced connection charges for their basic home telephone service. This reduction is 50 percent of the applicable charges, or \$30.00, whichever is less. Link-Up also provides for deferred payment of connection charges without interest. It does not cover the cost of wiring inside your home and is limited to one time, per home address, per subscriber.

## Who is Eligible?

Telephone service must be in the applicant's name. The applicant must participate in at least one of the following public assistance programs to be eligible:

- Food Stamps Program
- Federal Housing Assistance (Section 8)
- Low Income Home Energy Assistance
- Medicaid (Title XIX/Medical, State Supplemental Assistance)
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- National School Lunch (NSL) Free Lunch Program

## Other Ways to Qualify

A recent FCC ruling has added an additional eligibility criterion that is purely "income-based", and is not tied to subscriber participation in the previously mentioned government assistance programs. You are now eligible to participate in Lifeline and Link-Up if your income is at, or below 135% of the Federal Poverty Guidelines. Current guidelines may be obtained by contacting Valley Telecommunications Coop. Assn., Inc. or visit [www.universalservice.org](http://www.universalservice.org).

## Income Certification

If you qualify under the income-based eligibility criteria, and wish to apply for Lifeline or Link-Up Assistance, you must provide our office with supporting documentation of income.\* Acceptable documentation of income eligibility includes the prior year's state, federal, or tribal tax return; a current income statement from an employer or paycheck stub; a Social Security statement of benefits; a Veterans Administration statement of benefits; a retirement/pension statement of benefits; and unemployment/workmen's compensation statement of benefits; federal notice of letter of participation in General Assistance, a divorce decree, child support, or other official document. (Subsection 54.410(a))

\* Income for eligibility requirements is defined to include "all income actually received by all members of the household." Income is considered "gross" income, prior to taxes. Exceptions to income include student financial aid, military housing, and cost of living allowances, and irregular income from occasional small jobs.

## Could I become Ineligible?

If you no longer participate in any of the qualifying public assistance programs, you are no longer eligible for telephone assistance under the program based criteria.

By signing and submitting the application, you certify under penalty of perjury that you, in fact, qualify for Lifeline and Link-Up benefits, and if, at any time, you become ineligible, you will notify Valley Telecommunications Coop. Assn., Inc.

In addition, Valley's compliance with the FCC Regulations will include annual verification of eligibility of program participants. Verification procedures may include random beneficiary audits, periodic submission of documents, or annual self-certification.

## How to Apply

Contact Valley Telecommunications Coop. Assn., Inc. to obtain an application and income certification and verification form and provide all supporting documentation to Valley's business office at: PO Box 7, 102 Main St. S., Herreid, SD 57632; or call 437-2615.

## How do I apply to receive Lifeline, Link Up and TLS support discounts?

Contact your local telephone company. Consumers must apply for Lifeline, Link Up and TLS discounts through their local telephone company. The Universal Service Administrative Company's (USAC) web site contains state-specific Lifeline contact information for many companies at [www.lifelinesupport.org](http://www.lifelinesupport.org). You also may call USAC toll free at 1-888-641-8722 with any questions about Lifeline, Link Up and TLS discounts.

AN IMPORTANT MESSAGE FROM YOUR  
COMMUNITY BASED TELECOM PROVIDER

*you can afford*

Every person in America should have access to quality, affordable telecommunications service. This principle of "Universal Service" has been the goal of the telecommunications industry for decades. In 1934, the federal government codified the goal and reaffirmed it in 1996 by establishing policies for the "preservation and advancement of Universal Service."

To achieve the Universal Service goal, carriers have access to a fund that is generated by contributions from the telecommunications providers in the United States. Telecommunications companies draw from the fund to provide four programs that support telecommunications services nationwide. Link-Up America (Link-Up) and the Lifeline Assistance Program (Lifeline) are part of the Fund's Low-Income Program and are described in detail below. Toll Limitation Service is another program available to low income subscribers to help them control what they spend on telephone service.

**Lifeline, Link Up, and Toll Limitation Service** support provide discounts to eligible low-income consumers to help them establish and maintain telephone service.

## Foundation for Rural Service

This brochure was produced by the Foundation for Rural Service, the philanthropic arm of the National Telecommunications Cooperative Association. Its mission is to promote, educate and advocate rural telecommunications in order to sustain and enhance the quality of life within communities throughout rural America. For additional information on the Foundation, visit [www.frs.org](http://www.frs.org). This advocacy campaign also is supported by the Rural Telephone Finance Cooperative, based in Herndon, VA.

## What type of discount is available?

**Lifeline** assistance lowers the cost of basic monthly local telephone service. Eligible consumers can receive up to \$10 per month in discounts. Additional state support also may be available.

Eligible residents of Indian reservations or tribal lands can receive up to an additional \$25 in Lifeline support, but must pay at least \$1 for basic monthly service.

**Link Up** reduces the cost of initiating new telephone service. Eligible consumers can receive a 50% discount off of the one-time costs associated with initiating telephone service, up to a maximum of \$30. Eligible consumers also qualify for a deferred payment schedule for remaining costs of up to \$200.

Eligible low-income consumers living on tribal lands are eligible for an additional discount of up to \$70 to cover 100% of the charges between \$60 and \$130.

**Toll Limitation Service** (TLS) support allows eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.

## How do I know whether I am eligible?

Eligibility for Lifeline, Link Up and TLS support varies by state. Individuals who reside in states that have their own discount programs qualify for federal Lifeline, Link Up and TLS support if they meet the eligibility criteria established by their state. In states that do not provide state support, an individual is eligible if he or she participates in one of the following programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Federal Public Housing Assistance or Section 8
- Medicaid
- Food Stamps
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- National School Lunch free lunch program

In addition, a consumer may be eligible if his or her household income is at or below 135% of the federal poverty guidelines:
