

RCC Minnesota, Inc.

OUTAGES: January 2007 - December 2007

Geographic Area	Outage		Restored		Outage Description	Resolution of Outage	Services Affected	# Customers Affected	Steps taken to prevent similar situations.
	Date	Time	Date	Time					
Watertown SD	02/19/07	5:32 PM	02/20/07	9:45 AM	Leased Facility Outage	Leased facility repaired by facility provider	TDMA	919	Escalated problem with facility provider
Milbank SD	05/18/07	11:41 AM	05/18/07	2:26 PM	Leased Facility Outage	Leased facility repaired by facility provider	CDMA	1164	Escalated problem with facility provider

Note - # of customers affected is estimated by taking the number of customers residing in the wire center and dividing by the number of cell sites serving that wire center. The exact number of customers affected would be dependent upon the number of call attempts during the service disruption that could not be served by a neighboring cell site.
