RE: Application of Native American Telecom, LLC – Crow Creek TC08-110
GPNA File No. 09411.0002

Dear Ms. Van Gerpen:

I am filing this letter on behalf of Native American Telecom, LLC in the above-entitled matter to address possible scheduling issues on the Motion to Compel that was filed last Friday. The Motion to Compel seeks to compel discovery responses from Native American Telecom, LLC.

Native American Telecom, LLC attempted to negotiate an extension to respond to the interrogatories with the Movant, but no extension was granted. This letter is to make the Commission aware that Native American Telecom, LLC is willing to extend the Commission's decision time and will be requesting the Commission grant Native American Telecom, LLC an extension to respond to discovery.

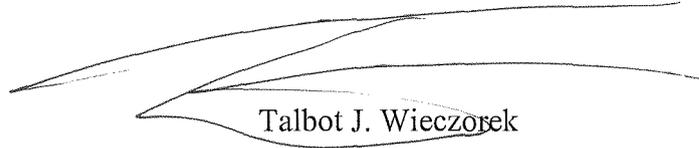

Further, Native American Telecom, LLC requests that the Motion to Compel not be set until the Commission's meeting on February 10th to allow Native American Telecom sufficient time to respond and submit a request to the Commission for an extension to respond to the discovery requests. Moreover, because of the intervening holiday, response will be delayed, and we believe the Commission should have sufficient time to review Native American Telecom's submittals prior to hearing the matter.

Page 2

Also, Native American Telecom has a motion pending to withdraw its request for a certificate of authority and, therefore, hearing the Motion to Compel prior to hearing and deciding the Motion to Withdraw would be a waste of the Commission's time if the Commission then determines it will allow the withdrawal of the application.

Sincerely,

Talbot J. Wieczorek
