Re: Notification of MegaPath Inc., DSL.net, Inc. and DSLnet Communications, LLC Regarding a *Pro Forma* Internal Change of Control of DSLnet

Communications, LLC

Dear Ms. Van Gerpin:

MegaPath Inc. ("MegaPath") and its wholly owned subsidiaries DSL.net, Inc ("DSL-Parent") and DSLnet Communications, LLC ("DSLnet") (MegaPath, DSL-Parent and DSLnet collectively, the "Parties"), through their undersigned counsel and pursuant to S.D. Codified Laws § 49-31-20, notify the South Dakota Public Utilities Commission ("Commission") of a *pro forma* internal change of direct control of DSLnet from DSL-Parent to MegaPath, DSL-Parent's current direct parent company. This change is the result of the merger of DSL-Parent, with and into MegaPath, with MegaPath surviving. The change of direct control is *pro forma* in nature because MegaPath ultimately controls DSLnet both before and after the merger. The Parties must complete the internal merger before December 31, 2009 in order to realize significant financial benefits.

It is the Parties' understanding that Commission approval is not required to complete the transaction described herein. Accordingly, the Parties submit this letter for informational purposes only to ensure the continuing accuracy of the Commission's records. In support, the Parties provide the following information:

#### **Description of the Parties**

DSL-Parent is a non-active Delaware corporation with its principal offices located at 50 Barnes Park North, Suite 104, Wallingford, Connecticut 06492. DSL-Parent is a wholly owned direct subsidiary of MegaPath. Effective on or about December 24, 2009, DSL-Parent will merge with and into MegaPath, with MegaPath surviving. As a result of the merger, DSL-Parent's separate corporate existence will cease. DSL-Parent provided a variety of Internet Protocol and data services. DSL-Parent does not offer any regulated telecommunications services and therefore did not hold any telecommunications authorizations from the FCC or any state regulatory authority.

DSLnet is a Delaware limited liability company with principal offices located at 50 Barnes Park North, Suite 104, Wallingford, Connecticut 06492. DSLnet is currently a wholly owned, direct subsidiary of DSL-Parent and a wholly owned, indirect subsidiary of MegaPath. DSLnet primarily provides interstate highspeed access to the internet service. DSLnet, LLC is authorized to provide intrastate telecommunications services in forty-seven (47) states and the District of Columbia, and DSLnet's affiliate, DSLnet Communications VA, Inc., is authorized to provide intrastate telecommunications services in Virginia. DSLnet is also authorized by the Federal Communications Commission ("FCC") to provide international and domestic interstate telecommunications services as a non-dominant carrier.

Further information concerning DSLnet's legal, technical, managerial and financial qualifications to provide service was submitted with its application for certification and other documents filed with the Commission and is, therefore, a matter of public record. DSLnet respectfully requests that the Commission take official notice of that information and incorporate it herein by reference.

### **Description of the Transaction**

Pursuant to an Agreement and Plan of Merger between MegaPath and DSL-Parent, DSL-Parent will merge with and into MegaPath, with MegaPath surviving. As a result, DSLnet will become a wholly owned, direct subsidiary of MegaPath. Since MegaPath already indirectly wholly owns DSLnet, this change of direct control of DSLnet is *pro forma* in nature. The Parties therefore notify the Commission of the transfer of direct control of DSLnet from DSL-Parent to MegaPath resulting from this *pro forma* internal merger. For the Commission's convenience, pre- and post-transaction corporate organizational structure charts are provided as Exhibit A.

Following the *pro forma* internal merger, DSLnet's customers will continue to receive service under the same rates, terms and conditions of service as before. The proposed transaction will not involve a change in DSLnet's operating authority in South Dakota and DSLnet's tariffs will remain in effect. Thus, the proposed transaction will be seamless and transparent to South Dakota consumers. Further, there will be no change in DSLnet's management as a result of this change of control.

#### **Public Interest Considerations**

The Parties respectfully submit that the proposed transaction serves the public interest. In particular, the Parties submit that the proposed transaction will be transparent to South Dakota consumers. Immediately following the *pro forma* change of control, DSLnet will continue to offer service with no change in the rates or terms and conditions of service. Further, DSLnet will continue to provide service to its customers under the same name, and will continue to be led by an experienced management team. Therefore, the transfer of control of DSLnet will be seamless and transparent to consumers in South Dakota.

#### Conclusion

For the reasons stated above, the Parties respectfully submit that the public interest, convenience, and necessity will be served by the proposed transaction. An original and ten (10) copies of this letter are enclosed for filing. Please date-stamp the enclosed extra copy and return it in the envelope provided. Should you have any questions regarding this filing, please do not hesitate to contact us.

Respectfully submitted,
