**Re: TC09-004**

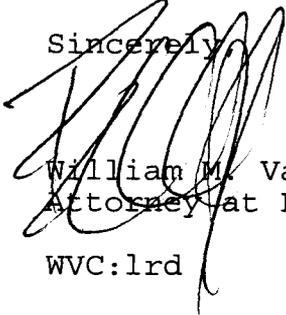

Dear Terri:

Please consider this response of my client, AT&T Communications of the Midwest, Inc., regarding a data request received from you. In the text of the Petition for Exemption under ARSD 20:10:27:11 from Developing Specific Costs Based Switched Access Rates and For a Waiver of ARSD 20:10:27:12, my petition stated that AT&T's composite switched access rate was 0.0431 cents per minute. That was a typographical error in that the rate is 0.0434 cents per minute. That rate is determined as follows:

Switching Charge	.042935
Tandem-Switched Transport Termination	.000273
Tandem-Switched Transport Facility	.00018
(10 miles at .000018 per mile)	

If you have any questions regarding this, please feel free to let me know.

Sincerely,

William M. Van Camp
