Lifeline, Link Up, and Toll Limitation Service support provide discounts to eligible low-income consumers to help them establish and maintain telephone service. Note: Telecommunications carriers cannot charge a Lifeline customer federal USF fees on the local service portion of their telephone bill.

What type of discount is available?

Lifeline assistance lowers the cost of basic, monthly local telephone service. Eligible consumers can receive up to \$8.25 per month in discounts.

Eligible residents of Indian reservations or tribal lands can receive up to an additional \$25 in Lifeline support, but must pay at least \$1 for basic monthly service.

Link Up reduces the cost of initiating new telephone service. Eligible consumers can receive a 50% discount off of the one-time costs associated with initiating telephone service, up to a maximum of \$30. Eligible consumers also qualify for a deferred payment schedule for remaining costs of up to \$200.

Eligible low-income consumers living on tribal lands are eligible for an additional discount of up to \$70 to cover 100% of the charges between \$60 and \$130.

Toll Limitation Service (TLS) support allows eligible consumers who wish to avoid incurring large long distance fees to choose toll blocking or toll control at no cost.

How do I know whether I am eligible?

Eligibility for Lifeline, Link Up, and TLS support varies by state. Individuals who reside in states that have their own discount programs qualify for federal Lifeline, Link Up, and TLS support if they meet the eligibility criteria established by their state. In states that do not provide state support, an individual is eligible if he or she participates in one of the following programs:

- Low-Income Home Energy Assistance Program (LIHEAP)
- Federal Public Housing Assistance or Section 8
- Medicaid
- Food Stamps
- Supplemental Security Income (SSI)
- Temporary Assistance for Needy Families (TANF)
- National School Lunch Program's free lunch program

GENERAL RULES, REGULATIONS, & INFORMATION

PAYMENT OF BILLS

Subject to the new subscribers provisions below, billing for services will be on the 1st day of each month. Payment will be due by the 15th day of the current month. If payment is not received by the 4th day of the following month, a \$10.00 late penalty fee will be added to the past due account. If payment is not received by the 10th day of that month, (1) services will be disconnected for nonpayment and will not be reconnected until the amount then due, including all collection fees, plus the then applicable reconnect charge, has been paid in full; and (2) RC Family of Companies may charge an additional deposit fee in its discretion.

If a customer pays a portion of their bill sufficient to cover all local service charges, but not long distance charges, the company may, at its discretion, or at the customer's request, put a toll restriction on the customer's line until all long distance charges and any additional local service charges are paid in full. Toll service will be restored once, and only if, all past due amounts are received.

RC offers many convenient ways to pay your monthly bill. Have your payments automatically deducted from your bank account, pay by credit card, or register on-line at www.trics.com for electronic billing. Choose from either monthly or recurring payment options. When mailing payments to the RC office, be sure to enclose the payment stub along with your payment.

NEW OR RECONNECTED SUBSCRIBER PROMPT PAYMENT POLICY

RC Family of Companies reviews the service payment history for all subscribers. Such payment history serves as the basis for establishing a credit rating for each subscriber. New subscribers who do not have a credit rating, or who have a credit rating which does not meet minimal standards established from time to time by RC Family of Companies, must make their payments within 10 days after billing for the first 6 months of service. Subscribers who have been disconnected for non-payment must make their payments within 10 days for the first 6 months after reconnection. Assuming payments are made in a timely fashion during the first 6 months of service, such subscribers are subject to the Payment of Bills procedure described above and payments must then be made in accordance with that schedule.

RC Family of Companies may, in its discretion disconnect service for new subscribers or subscribers who have been reconnected after being disconnected for non-payment, who do not observe this required Prompt Payment Policy.

NEW OR RECONNECTED SUBSCRIBER DEPOSIT POLICY

A \$100.00 deposit will be required at the time of application for each new subscriber with no credit rating or a credit rating which does not meet the minimum standards established from time-to-time by RC Family of Companies or subscribers who have been reconnected after disconnection for non-payment. The deposit will be returned after one year if payments are successfully made complying with the Subscriber Prompt Payment Policy and Payment of Bills Policy for 12 consecutive months. The deposit will be retained by RC Family of Companies if the subscriber fails to comply with these policies.

Low Income Assistance Available to Telephone Subscribers

Roberts County Telephone Cooperative Association (RCTCA), RC Communications, Inc. (RCC), and RC Services are authorized to provide federal telephone assistance programs. Two such programs provided by both companies are "Lifeline" and "Link-Up." Both were developed in response to concerns about the affordability of telephone service for low income citizens.

The Lifeline program provides a \$8.25 monthly credit on the basic service portion of the participant's telephone bill. The credit applies on the main home telephone line listed in the name of the eligible telephone company subscriber. Lifeline subscribers may also receive blocking long distance calls on their telephone line at no charge.

Link-Up provides eligible subscribers with reduced connection charges for their basic home telephone service. This reduction is 50% of the applicable charges or \$30 or whichever is less. Link-Up also provides for deferred payment of connection charges without interest. It does not cover the cost of wiring inside your home and is limited to one time per home address per subscriber.

Applicants are eligible if they participate in at least one of the following public assistance programs: Medicaid (e.g. Title XIX/Medical, State Supplemental Assistance), Supplemental Security Income (SSI), National School Lunch (NSL) Free Lunch Program, Food Stamps, Federal Public Housing Assistance, Temporary Aid to Needy Families (TANF), Low-Income Home Energy Assistance, or income is at or below (135%) of Federal Poverty Guidelines (must provide documentation).

Additional Lifeline and Link-Up support is available to those qualifying individuals living on Tribal Lands. The Bureau of Indian Affairs (BIA) can verify whether or not a specific location meets the Enhanced Lifeline/Link-Up definition. Enhanced Lifeline/Link-Up provides for expanded eligibility opportunities and additional telephone service discounts. In addition to the previously cited programs, for those individuals residing on Tribal Lands, participation in any of the following meets the eligibility standard: Bureau of Indian Affairs (BIA) general assistance; Tribally administered Temporary Assistance for Needy Families (TANF); or Head Start Programs (under income qualifying eligibility provision only). If you are on Lifeline or Link-Up and are no longer eligible for any of these low-income programs, you are obligated by law to notify RCTCA or RCC of your ineligibility.

Contact the RCTCA/RCC office in New Effington, 605-637-5211 or 888-668-0877, for more information or application forms. You may also e-mail questions to customer@rctel.net.
