# THE TRANSITION TO DIGITAL TV

After February 17, 2009, a television receiver with only an analog broadcast tuner will require a converter box to receive full power over-the-air broadcasts with an antenna because of the Nation's transition to digital broadcasting.

Analog-only TVs should continue to work as before to receive low power, Class A or translator television stations and with cable and satellite TV services, gaming consoles, VCRs, DVD players and similar products.

The DTV transition will have no effect on Valley Video TV subscribers. Analog sets not connected to a cable/video tv service may need additional equipment (i.e. converter box) or may have to be replaced.

Information about the DTV transition is available from <u>www.DTV.gov</u> and from <u>www.dtv2009.gov</u> or 1-888-DTV-2009 for information about subsidized coupons for digital-to-analog converter boxes.

WHAT IS LIFELINE?

## THE PROGRAM

Changes brought about by the Federal Telecommunications Act of 1996 have resulted in the introduction of low-income assistance programs in South Dakota. Low-income subscribers may qualify to receive reduced monthly and installation charges for basic telephone service.

Valley Telecommunications Cooperative Assn, Inc. is authorized to provide two federal telephone assistance programs that were developed in response to concerns about the affordability of telephone service for low-income citizens.

- The Lifeline program provides a reduction in basic monthly telephone service equal to the residential subscriber line charge, plus an additional amount of \$1.75. The credit applies to the main home telephone line listed in the name of the subscriber. Lifeline subscribers may also receive blocking of long distance calls on their telephone line at no charge.
- The Link-Up program provides eligible subscribers with reduced connection charges for their basic home telephone service. This reduction is 50 percent of the applicable charges, or \$30.00, whichever is less. Link-Up also provides for deferred payment of connection charges without interest. It does not cover the cost of wiring inside your home and is limited to one time. per home address, per subscriber.
