**PETITION TO SUBMIT A BOND  
IN LIEU OF AN IRREVOCABLE LETTER OF CREDIT**

Pursuant to order issued July 2, 2008 in the above-referenced proceeding, Inmate Calling Solutions, LLC d/b/a ICSolutions ("ICSolutions") was granted a Certificate of Authority to provide interexchange telecommunications services, subject to continuous maintenance of an irrevocable letter of credit issued to the Commission. ICSolutions has duly maintained its letter of credit in keeping with the Commission's order. As referenced in its September 23, 2010 notice to the Commission, ICSolutions was acquired on November 1, 2010 and, consistent with the policies of its new owner, has been reevaluating its banking and insurance relationships. ICSolutions has determined that obtaining and submitting a surety bond is now preferable to continuing the letter of credit.

For this reason, ICSolutions requests that the Commission issue an order on an expedited basis, accepting the attached bond in the amount of \$25,000, and issued with the Commission as obligee, for purposes of replacing the current letter of credit which will soon expire.

Respectfully submitted,

Ken R. Dawson  
Director, Contracts and Regulatory
