Section 63.71 Application of ) WC Docket No. 11-\_\_\_\_  
 )  
VERIZON WIRELESS )  
 )  
For Authority Pursuant to Section 63.71 of the )  
Commission's Rules to Discontinue the )  
Provision of Verizon Hub Service )

Chief, Wireline Competition Bureau

**APPLICATION OF VERIZON WIRELESS**

Pursuant to Section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, Verizon Wireless hereby seeks authority to discontinue its provision of the Verizon Hub service, an interconnected Voice over Internet Protocol ("VoIP") service that Verizon Wireless has supported in its service territory independent of its commercial mobile radio service and other wireless offerings.<sup>1</sup> Information responsive to Sections 63.71(a) and (b) of the rules, 47 C.F.R. §§ 63.71(a)-(b), follows below.

**I. Name and Address of Carrier (47 C.F.R. §§ 63.71(a)(1), (b)(2))**

Verizon Wireless  
180 Washington Valley Road  
Bedminster, NJ 07921

---

<sup>1</sup> None of Verizon Wireless's commercial mobile radio service ("CMRS") offerings are at issue in the instant application and, in any event, the Commission's service discontinuance rules do not apply to those offerings. See 47 C.F.R. § 20.15(b)(3).

**II. Date of Planned Service Discontinuance (47 C.F.R. §§ 63.71(a)(2), (b)(2))**

Verizon Wireless intends to begin discontinuing service to customers on or after September 1, 2011, subject to Commission authorization.

**III. Points of Geographic Areas of Service Affected (47 C.F.R. §§ 63.71(a)(3), (b)(2))**

Verizon Wireless will discontinue Verizon Hub service in all U.S. states and the District of Columbia. Verizon Hub service is currently provided in the lower contiguous 48 states, Hawaii, and the District of Columbia.

**IV. Brief Description of Type of Service Affected (47 C.F.R. §§ 63.71(a)(3), (b)(2))**

Verizon Hub is an interconnected VoIP service for purposes of the Commission's rules.<sup>2</sup> Verizon Wireless's discontinuance of the Verizon Hub service will not adversely affect the public convenience and necessity. Existing customers have a wide range of alternative voice services from which to choose, including traditional wireline voice services, facilities-based VoIP services offered by cable operators, other non-facilities-based interconnected VoIP services, and wireless voice telephony services. Verizon Wireless has also endeavored to minimize any inconvenience to customers resulting from the discontinuance of the Verizon Hub service by offering a discount of its Home Phone Connect device and service, and through customer outreach efforts that go beyond the minimum required under the Commission's rules.<sup>3</sup>

---

<sup>2</sup> See 47 C.F.R. § 9.3.

<sup>3</sup> See Attachment A; *infra* section V (describing outreach efforts). Verizon Wireless will initially focus its outreach efforts on non-employee customers, but the affected employee customers will have the same options.

**V. Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. §§ 63.71(b)(3))**

Verizon Wireless notified the non-employee Verizon Hub customers of the planned discontinuance by letter sent via US Mail on or about June 24, 2011, to the customer's billing address, and the approximately 240 employee customers receiving Verizon Hub service through their employment with Verizon Wireless were notified via internal e-mail on June 28-29, 2011. Copies of the customer notifications are included as Attachment A. Verizon Wireless will also directly contact via telephone those customers who do not respond to the initial notification. In addition, free messages will be sent to the Hub devices themselves to inform affected subscribers of the planned discontinuance.

Copies of this Application are being sent, first class U.S. Mail, to the public utilities commission and Governor of each state in which discontinuance is proposed and to the Special Assistant for Telecommunications to the Secretary of Defense, pursuant to Section 63.71(a) of the rules.

**VI. Regulatory Classification**

Verizon Wireless is considered an interconnected VoIP provider with respect to the Verizon Hub service. The Commission's rules expressly define interconnected VoIP providers as non-dominant for purposes of the service discontinuance rules.<sup>4</sup>

Accordingly, the instant application is subject to the 31-day automatic grant provisions of Section 63.71(c) of the rules.

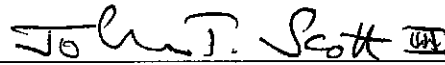

---

<sup>4</sup> 47 C.F.R. § 63.60(a).

**VII. Conclusion**

For the foregoing reasons, the proposed discontinuance of the Verizon Hub service not earlier than September 1, 2011, will not adversely affect the public convenience and necessity. Verizon Wireless thus respectfully requests that the Commission approve its application to discontinue the Verizon Hub service. Questions about this application may be addressed to Robert Morse, Senior Counsel, Verizon Wireless, at (202) 589-3745.

Respectfully submitted,

John T. Scott, III  
Vice President and Deputy General  
Counsel – Regulatory Law

**Verizon Hub Digital Voice Service will  
end 9/1/11. Action is required to continue  
your voice service.**

Re: Your Verizon Hub Digital Voice Service — Account number 123-456-7890

Dear [Customer Name],

We're writing to inform you that Verizon Wireless will discontinue Verizon Hub Digital Voice Service nationwide on or after September 1, 2011. After this date, your Verizon Hub device and Digital Voice Service will no longer function. **You will need to take action to avoid loss of phone service, including the ability to reach 911 emergency services.** You can switch to Verizon Wireless Home Phone Connect service, move your number to another Verizon Wireless device, or move your number to another wireless or landline carrier.

We understand that this type of change is difficult, and we apologize for any inconvenience the change may cause. Please know that we value you as a customer and would like to continue providing you with voice communications.

If you choose to switch to Verizon Wireless Home Phone Connect service, we will help with your transition by providing a free Verizon Wireless Home Phone Connect device with no long-term contract obligation and a one-time \$50 account credit (credit may take up to two billing cycles to process). For more information about Home Phone Connect, including how it works, where it is available, 911 calling (which differs from 911 calling using the Verizon Hub device) and other important information, please see reverse of this letter and visit [vzw.com/homephoneconnect](http://vzw.com/homephoneconnect).

**What Do I Need to Do?**

The following information will help you transition your Digital Voice Service. If you do not take action to transition your service by the dates indicated below, you will experience a loss of phone service, including the ability to reach 911 emergency services. Below are your options:

- 1) If you're interested in moving to Home Phone Connect with no long-term contract obligation, please review the important information about this service, including plan rates, on the reverse side of this letter. You can make the transition by phone only. Simply call 1.866.507.1597 by August 26, 2011.
- 2) If you'd like to move your number to another Verizon Wireless device, please call 1.866.507.1597 by September 1, 2011.
- 3) If you would like to move your number to another wireless or landline service provider, please contact them directly as soon as possible.
- 4) If you'd like to cancel your Verizon Hub Digital Voice Service, please call 1.866.507.1597 by September 1, 2011. You will be billed through the disconnect date.

Thank you for the opportunity to be your voice service provider, and we sincerely hope to continue serving your communications needs.

Sincerely,

Your Verizon Hub Digital Voice Service Customer Care Team

**See reverse for an important FCC required notice.**

Customers must provide their own corded or cordless home telephone equipment. While the Home Phone connect device has a backup battery, if the landline phone requires external power to operate, service (including the ability to make and receive 911 calls) will not be available during a power outage. Home Phone Connect is not currently compatible with fax machines, medical data transmit machines, DVR equipment, credit card machines and some home security systems. Please check with your security system provider to confirm the compatibility requirements of your home security system. © 2011 Verizon Wireless.

**Important information about moving to the Verizon Wireless Home Phone Connect service:**

- Home Phone Connect is a telephone adaptor that connects your home telephone equipment with the Verizon Wireless network (no broadband or Internet connection is required). It can be set up as an additional line of service on an existing Verizon Wireless Family SharePlan® account, or as a single-line account. Home Phone Connect service is available with two monthly price options:
  - (i) \$9.99 monthly access for unlimited Mobile to Mobile calling with other Verizon Wireless customers and Unlimited Nights & Weekend Anytime Minutes when added to a Nationwide Family SharePlan starting at \$69.99 monthly access or higher for 2 lines (plus other charges).\*
  - (ii) \$19.99 monthly access for Unlimited Single-Line In-Home Calling to any number on any network in the U.S., even landlines (plus other charges).\*
- You must place your order for the free Home Phone Connect device by August 26, 2011 to ensure sufficient time to send you the device and activate the service.
- **After you place your order, a device will be sent to you with a temporary phone number. Once activated, call us at 1.800.711.9300 to deactivate your Verizon Hub device and move the number you used to your new Home Phone Connect service.**
- The Home Phone Connect device requires a wireless signal to operate and is sensitive to placement in your home. You should make sure the cellular signal strength will be sufficient in the new location before ordering. For more information, visit [vzw.com/homephoneconnect](http://vzw.com/homephoneconnect).
- Individual Verizon Hub Digital Voice Service features, such as call logs, voice mail greetings and messages, and address books cannot be moved to Home Phone Connect service.

**FCC Required Notice:**

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity are otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the Sec. 63.71 Application of Verizon Wireless. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

## Employee Notification – Ver. 1

**From:** Hub Retirement Offer – Empl Accts  
**Sent:** Tuesday, June 28, 2011 3:12 PM  
**Subject:** Verizon Hub Service Discontinuing 9/1/2011 -- Action Required  
**Importance:** High

Valued Employee,

We're writing to inform you that Verizon Wireless will discontinue the Verizon Hub Digital Voice Service nationwide on or after September 1, 2011. After this date, your Verizon Hub device and Digital Voice Service will no longer function. **You will need to take action to avoid loss of phone service, including the ability to reach 911 emergency services.** You can switch to Verizon Wireless Home Phone Connect service, or move your Hub number to an existing Verizon Wireless device.

We understand that this type of change is difficult, and we apologize for any inconvenience the change may cause.

If you choose to switch to the Verizon Wireless Home Phone Connect service, we will help with your transition by providing a free Verizon Wireless Home Phone Connect device with no long term contract obligation and a one-time \$50 account credit (Credit may take up to 2 billing cycles to process). For more information about Home Phone Connect, including how it works, where it is available, 911 calling (which differs from 911 calling using the Verizon Hub device) and other important information, please see the important information section below and visit [vzw.com/homephoneconnect](http://vzw.com/homephoneconnect).

### What do I need to do?

The following information will help you transition your Digital Voice Service. If you do not take action to transition service by the dates indicated below, you will experience a loss of phone service, including the ability to reach 911 emergency services. Below are your options:

- 1) If you are interested in moving to the Home Phone Connect with no long term contract obligation, please review the important information about this service, including plan rates, below. You can make the transition by phone only. Simply call Employee Accounts at 800-922-0204 by August 31, 2011. Employee Accounts hours of operation are M-F 8AM-9PM EST and Sat 9AM – 6PM EST.
- 2) If you only want to move your Hub number to another active VZW device, call 800-711-9300
- 3) If you like to cancel your Verizon Hub Digital Voice Service, call Employee Accounts at 800-922-0204 by September 1, 2011. You will be billed through the disconnect date.

### Important information about moving to the Verizon Wireless Home Phone Connect service:

If you have the maximum number of devices on your account, you will have to have the Hub device deactivated first before adding the Home Phone Connect device and port the number. The Home Phone Connect service is available in two billing options, VZW Family Share plan, or as a single line account. The two options available are:

- (i) \$4.99 monthly access for unlimited Mobile to Mobile calling and unlimited Nights & Weekend Anytime Minutes when added to a Nationwide Family SharePlan.
  - (ii) \$9.99 Monthly access for Unlimited Single Line In-Home Calling to any number on any network in the U.S., even landlines.
- You must place your order for the Free Home Phone Connect device by August 31, 2011 to ensure sufficient time to send you the device and activate the service.
  - **After you place your order, a device will be sent to you with a temporary phone number. Once Activated, call the port center at 800-711-9300 to deactivate your Hub device and move your Hub number to your new Home Phone Connect service.**
  - The Home Phone Connect device requires a wireless signal to operate and is sensitive to placement in your home. You should make sure the cellular signal strength will be sufficient in the new location before ordering. For more information, visit [vzw.com/homephoneconnect](http://vzw.com/homephoneconnect).
  - Individual Verizon Hub Digital Voice Service features, such as call logs, voice mail greetings and messages, and the address books cannot be moved to the Home Phone Connect service.

If you need to move your number to another service provider, please contact that company directly.

**FCC Required Notice:**

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity are otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington DC 20554, and include in your comments a reference to the Sec. 63.71 Application of Verizon Wireless. Comments should include specific information about the impact of the proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

Sincerely,

Your Verizon Hub Digital Voice Team

**Subject:** Subject Line: Verizon Hub Service Discontinuing 9/1/11 -- Action Required

Valued Employee,

You have been identified as currently having an active Verizon Hub on your account. The Hub service will be discontinued on or after September 1, 2011. **You will need to take action after 8/1/11 and before 9/1/11 to avoid loss of phone service, including the ability to reach 911 emergency services.** Watch your Inbox for details for a free VZW Home Phone Connect replacement offer coming in August!

### FCC Required Notice:

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity are otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington DC 20554, and include in your comments a reference to the Sec. 63.71 Application of Verizon Wireless. Comments should include specific information about the impact of the proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

Sincerely,

Your Verizon Hub Digital Voice Care Team
