Subject: RE: TC09-088 Order Granting Certificate of Authority

Dear Mr. Axthelm:

I am writing this to you as you are the person we currently have on file for the South Dakota PUC. Please let me know if I should be addressing this to someone else in your organization or forward this email directly to the appropriate contact.

This is to notify you that, effective December 22nd 2010 we have undergone a management and ownership restructuring of the company which I believe should be reflected in PUC records.

- Greenfly Networks Inc. is now a wholly owned subsidiary of Divitas Networks inc. , located at 153 Townsend St., Suite 900, San Francisco, CA.
- The new CEO is Vivek Khuller (here cc'd)
- In addition to replacing Mr. Bentley as CFO, Mr. Sharma will be the contact on regulatory issues

My new title is VP of Sales and Business Development.

Please let me know if this information is sufficient or what formal process we need to follow to notify the Commission on these changes.

Best regards

Mauro Calvi
