Re: *XO Communications Services, Inc. South Dakota Access Services Notice to Withdraw
Tariff Revisions*

Dear Ms. Van Gerpen:

After speaking with Commission staff, XO Communications Services, Inc. wants to further clarify that it is not currently billing intrastate switched access services in South Dakota and does not have interstate switched access service rates for South Dakota in its federal tariff. Therefore, XOC SI is withdrawing the tariff filing that introduced language for treatment of Toll VoIP-PSTN traffic with an issued date of January 18, 2012 and effective date of February 7, 2012.
