RE: dishNET Wireline L.L.C., Tariff Advice Letter No. 6A, Docket No. TC12-095

Dear Ms. Van Gerpen:

Enclosed for submission to the South Dakota Public Utilities Commission ("Commission") in the above-referenced matter, is amended sheet number 37 to dishNET Wireline L.L.C.'s ("dishNET") switched exchange access tariff, South Dakota P.S.C. Tariff No. 2, for incorporation into the Company's Tariff. This sheet has been amended to bifurcate the Company's composite South Dakota intrastate switched exchange access rate into separate, but equal, originating and terminating rate elements, as requested by staff. The Company's June 12, 2012 amendments in this proceeding remain otherwise unchanged.

Further, dishNET submits the page numbers 6-335, 6-433, and 6-434 to Qwest Corporation's interstate switched access tariff, Tariff FCC No. 1. These pages reflect interstate rates for the corresponding rate elements adopted by dishNET as its own South Dakota interstate rates, and which serve as the basis for the South Dakota intrastate rate reductions being made by dishNET in compliance with the Federal Communications Commission's ("FCC") November 18, 2012 *Report and Order and Further Notice of Proposed Rulemaking*, in Docket Nos. WC Docket No. 10-90, *et al.*, FCC 11-161 ("ICC/USF Transformational Order"). The Company also submits a spreadsheet containing the rate calculation in support of dishNET's South Dakota intrastate access reductions.

Ms. Patty Van Gerpen
