1-2) Please provide a copy of the Company's Interstate Access Rates as filed with the FCC.

Response: Attached. Since the Company does not yet operate in SD, there are no SD rates in the Sage interstate tariff. However, for the calculation of the new intrastate rates, we used the appropriate ILEC interstate tariffed rates.

Response: The calculations are attached. Also, in response to Staff's question regarding rounding of rate elements, the Company is rounding down its rates to be in compliance. The tariff page has been corrected to reflect the rounding down of the rates.

Response: No estimates were part of the calculations.
