TOTAL CALL MOBILE INC.'S RESPONSE TO TC12-192 DATA REQUEST 1

Total Call Mobile, Inc. ("TCM") hereby submits its Responses to the South Dakota Public Utilities Commission's TC12-192 Data Request 1.

- 1-1) Please confirm this filing is for designation as a lifeline-only wireless eligible telecommunications carrier in all areas of South Dakota, including rural areas.

Response to 1-1):

Yes. The Petition of Total Call Mobile, Inc. for Limited Designation as an Eligible Telecommunications Carrier ("Petition") is for designation as a lifeline-only wireless eligible telecommunications carrier ("ETC") in all areas of South Dakota, including rural areas.

- 1-2) Does the applicant intend to serve any tribal lands? If so, please provide complete details.

Response to 1-2):

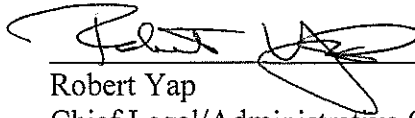

As an MVNO of Sprint PCS "Sprint", TCM is contractually able to provide service anywhere Sprint has coverage. TCM intends to make the same Lifeline offering that is available to non-tribal lands to tribal lands as long as Total Call Mobile's underlying carrier, Sprint, has coverage in such tribal areas.

- 1-3) Has the applicant provided the notice required in ARSD 20:10:32:46? Please provide proof of such notice.

Response to 1-3):

TCM has not yet provided proof of notice to the applicable parties because the Company has been preparing to file an amended Petition. TCM intends to comply with ARSD 20:10:32:46 at the time it files its amended Petition. TCM plans to file its amended Petition with a certificate of service by May 15th.

Respectfully submitted,
