Re: MCC Telephony of the Midwest, LLC Compliance with FCC ICC/USF Order

Dear Ms. Van Gerpen:

This letter is submitted on behalf of MCC Telephony of the Midwest, LLC (“MCC” or the “Company”) to confirm the Company’s compliance with the access rate reduction and IP-PSTN traffic requirements of the Federal Communications Commission’s November 2011 ICC/USF Order (FCC 11-261). MCC filed tariff revisions in February 2012 which reduced the Company’s intrastate terminating switched access rates to a level equal to (or in a few cases below) MCC’s interstate rates and added provisions addressing charges for intrastate IP-PSTN traffic. Consequently, no additional tariff revisions or submission of supporting revenue calculations needed to be made by the Company to meet the July 3, 2012 deadline for terminating access charge rate reductions.

If there are any questions regarding this letter or the Company’s access rates, please contact me at 202-342-8819 or via email at wbrantl@kelleydrye.com.

Sincerely,

Winifred Brantl
Counsel for MCC Telephony of the Midwest, LLC
