Docket No. TC12-084

Information Requested From:	CenturyLink QC
Information Requested By:	Brian Rounds
Date Requested:	08/24/2012
Date Response Due:	09/04/2012

In response to DR 1-3, the Company again provided a list of wire centers that are currently intended for improvements, however, the answer did not provide a list of wire centers that are *not* scheduled for improvements. Please provide such a list.

Response:

On the list of High-Cost South Dakota Wire Centers (Confidential Attachment B page 3, 2012 Etc Filing), only Bonesteel and Morristown showed no predicted expenditures and as such are not scheduled for improvements for the 2013 timeframe.
