RE: TC13-009 FiberComm Intrastate Switched Access Services Revised Tariff Pages

Dear Ms. Van Gerpen

Since the revised tariff pages were filed earlier this year the need for Voice over Internet Protocol requirements have become mute. There is no longer a difference in intrastate and interstate rates, so FiberComm wishes to withdraw their tariff filing and requests the docket be closed.

If you have any questions in reference to this filing please contact me.

Sincerely

Consortia Consulting
