RE: TNCI Operating Company LLC, Tariff Advice Letter No. 1

Dear Ms. Van Gerpen:

Pursuant to the South Dakota Public Utilities Commission's ("Commission"), June 10, 2013 *Order Granting Transfer of Certificates of Authority* in Docket No. TC13-038, enclosed for submission to the Commission is TNCI Operating Company LLC's ("TNCI") initial South Dakota switched exchange access tariff, South Dakota P.U.C. Tariff No. 1.

This Tariff sets forth the rates, terms, and conditions for the provision of intrastate switched exchange access services provided by TNCI in South Dakota. Originating and terminating switched access rates have been set at parity with the Company's interstate rates as set forth in the Company's interstate access tariff, Tariff F.C.C. No. 1, and comply with July 1, 2013 interstate terminating rate benchmarking requirements contained in Section 51.911(c) of the Federal Communications Commission's rules, 47 C.F.R. §51.911(c). The Company's Tariff is consistent with Trans National Communications International, Inc.'s approved switched access tariff, South Dakota P.U.C. Tariff No. 3. A July 12, 2013 effective date is requested, more than 30 days following the issue date.

Thank you for your attention to this matter. Questions may be directed to me.

Sincerely,

MILLER ISAR, INC.
