RE: Northern Valley Communications, LLC (NVC), Revised Intrastate Switched Access Rates

Dear Ms. Van Gerpen,

Attached for electronic filing, on behalf of NVC, are revised tariff pages to NVC's Intrastate Switched Access Services Tariff No. 1 in order to implement the Federal Communications Commission's (FCC), November 18, 2011, Intercarrier Compensation Reform Order (FCC 11-161).

In accordance with FCC rules found in 47 CFR §51.911, this filing is a decrease in terminating intrastate switched access rates in order to bring terminating intrastate switched access rates and structure to parity with the currently effective interstate terminating switched access rates.

NVC respectfully requests that the proposed changes become effective July 2, 2013.

If you have any questions, please feel free to contact me at (800) 556-6525.

Sincerely,
