

CERTIFICATE OF SERVICE

I, Matt Dean, do hereby certify that on this 13th day of December, 2013, I have caused to be sent via United States Mail, postage prepaid, a copy of the Notice attached hereto describing the geographic territory to be served and information regarding the types of local exchange services to be provided to each certified local exchange provider of telecommunications services in the State of South Dakota as set forth in SDCL 49-31-70 and ARSD 20:10:32:04. A copy has also been sent to CenturyLink.

This 13th day of December, 2013

/s/ Matt Dean

December 13, 2013

To Whom It May Concern:

In accordance with SDCL § 49-31-70 and ARSD 20:10:32:04, please be advised that on this 13th day of December, 2013, that ANPI, LLC, has submitted an application for authority with the South Dakota Public Utilities Commission to provide local exchange telecommunications services on a wholesale basis only for the CenturyLink areas and exchanges of the State of South Dakota.

ANPI, LLC (“ANPI”) is a wholesale reseller of interexchange telecommunications services and now wishes to offer IP-enhanced local exchange telecommunications services throughout the CenturyLink areas and exchanges of South Dakota. Specifically, the Company will offer broadband connectivity and hosted solutions by way of VoIP and cloud technology to other telecommunications carriers on a wholesale basis only. Any traditional voice services such as local dial tone, access to 911, e911, Directory Assistance, and Operator Services will be available only by way of VoIP delivery. ANPI, LLC will not offer any retail services.

ANPI will seek applicable Interconnection Agreements upon completion of certification.

Sincerely,

ANPI, LLC Management
