RE: ANPI Business, LLC – Application for Certificate of Authority

Dear Public Utilities Commission:

Enclosed, please find an application for a Certificate of Authority for ANPI Business, LLC to provide Resold Local Exchange Telecommunications Services in the State of South Dakota within the territories and exchanges of CenturyLink. Attached separately and marked as **Confidential** are the Financial Statements for the first 3 quarters of 2012, identified as Exhibit E. 2012 year-end and fourth quarter 2012 Financial Statements will be submitted to the Commission as they become available.

Please also be advised that ANPI Business, LLC was formerly Zone Telecom, LLC (“Zone”). Zone was granted authorization to provide telecommunications services in South Dakota under Docket No. TC00-129 approved on September 29, 2000. Zone now wishes to expand its authority in South Dakota to offer resold local exchange telecommunications services to business-class subscribers only, which is the purpose of this filing.

ANPI will be filing under separate cover a letter notifying the South Dakota Public Utility Commission of the name change from Zone to ANPI Business, LLC and requesting that the authorization issued under Docket No. TC00-129 be revised to reflect ANPI Business, LLC as the service provider.

Should you have any questions or need additional information, please feel free to contact me at (405) 755-8177, extension 25 or at mdean@telecompliance.net.

Respectfully,

/s/ Matt Dean
